## Market leaders of Innovation

Approved by the Vehicle  
Certification Agency

Featuring:

**NOW AVAILABLE IN 100%  
STAINLESS STEEL**  
Includes our 25 year  
transferable anti-corrosion  
guarantee

Up to 12-man capacity, yet easy to tow and install on-site

Designed to maximise your return on investment.

Design is at the core of our 16-foot road towable welfare unit. The single axle design makes it easy to transport and meets all of the HSE welfare on-site standards. Power is provided by the integrated silenced 7KVA diesel generator which supplies two electrical specifications, Eco+ and Hybrid.

THE BIG SPACE 16 IS DESIGNED TO:

- Meet the large capacity welfare requirements of the construction industry.
- Be compact, robust and easy to maintain and service
- Meet different site requirements and those of the HSE
- Defined canteen, rest area, office and storage sections which combine into 2 layouts.

LAYOUT OPTIONS:

- 1: 6 Man Canteen/4 Man Office
- 2: 12 Man Canteen
